

COLOUR THE PICTURE

Report sightings of species at risk to the
Wildlife Division.

MATCHING

Match the species with a method you can use to protect it!

Species

1. Long's Braya
2. Piping Plover
3. American Eel
4. Barrens Willow
5. Rusty Blackbird
6. Polar Bear
7. American Marten
8. Harlequin Duck

Method

- a. do not pollute ponds, rivers, or lakes
- b. take a picture of a flower instead of picking it
- c. when on a beach, walk your dog on a short leash to keep them away from birds and nests
- d. obey snaring and trapping regulations
- e. do not pollute oceans
- f. do your part to reduce the effects of climate change
- g. support wetland habitat protection
- h. keep all-terrain vehicles and trucks on approved trails
